Principal's Words....

I take pleasure in presenting yet another edition of the Annual Report for the academic year 2020-21. Although there was Carona pandemic, the session witnessed a flurry of activities - curricular, co curricular and extracurricular organized via online. It's with great pride I wish to put on record that the staff and students of TCSW contributed immensely by undertaking awareness, relief and counseling activities and offered all possible help to the society.

The teaching and non teaching staff have displayed their untiring commitment which has been chiefly instrumental in raising academic acumen of teachers and students alike. It is only due to the efforts of teaching staff and constant guidance and inspiration from the governing body, the college continues to dominate in central India so far as professional Social Work Education is concerned. The students of the college have also done a commendable work in academics as well as in extra - curricular activities. It may be noted that the college after having thrice accredited with top gradation by NAAC, has embarked on its endeavor to adapt to the functioning as is expected by the accrediting body NAAC and institutions like the UGC and the parent university. I am happy to note that as recommended by the last visiting Peer team, the college applied for the Autonomous status and the UGC New Delhi has conferred autonomy upon the college in February 2019. This provides a distinction to Tirpude College of Social Work to be the first autonomous college imparting social work education in central India. We could initiate a diploma course in counseling and also successfully offered diploma course in hospitality management, event management and mass communication.

I cannot conclude without acknowledging the support of Shri Rajkumar Tirpude, President and Shri.Ganesh Gaurkhede, General Secretary of our parent body Yugantar Education Society in preparing students to face new challenges in lives and careers which in turn would provide us a better society to live in. I take this opportunity to further resolve along with my colleagues to utilize the newly acquired autonomy to the better benefit of all the stakeholders.

Thank you

Dr. Swati Dharmdhikari

Officiating principal

Once Again, Annual Social Gathering

We all know how we can live from last one year. Every work, everything has been stopeed due to corona. We live our life with some fear. Each and every time we think about our family that's whats has been happened with me my family. After the events happiness and sorrow, we once again started living our lives with new vigor. In the last one and half year, we have moved away from the mainstream of education and are learning in a virtual way. It was decided to hold a Social Gathering for the students in a virtual way, so that they can get some relief from mobiles, laptop and get back latent qualities of the students. No matter what the situation is and no matter how horrible it is, the students should be taught to find a way out of it, only then will he become a competent person and therefore, no matter what happens, we must do regular programs for the students, Dr. Swati Dharmadhikari, the Principal of college made this concept in reality.

Every gathering, every programme, every event bring new opportunities, excitement, joy and many learnings. Annual social gathering is an event where along with the students, faculty, also put in their best efforts to make it a memorable one. It is a time where students get opportunity to bring out their talents, skills, arts and abilities they have. All the students and the staff cooperate with each other to make the events successful. Students also get opportunity to participate in all the events.

Only cultural competitions were held as the events were held in a virtual manner. Annual social gathering was held on 21st to 23rd July 2021, in Tirpude College of social work on online mode. All the students of BSW and MSW were present for this event. It was really a memorable event on all three days.

D. SOCIAL WORK PRACTICUM

Practicum is an essential requirement for social work education. The trainees are given field experience along with classroom lectures. This not only helps in developing field based knowledge, skill and proper attitude among the students, but also enables them to be better professional.

The requirement for practicum is different for different classes as per the University specifications. In general, the practicum includes orientation-cum-structured laboratory experiences, concurrent placement, agency visits, and village camp and study tour.

Orientation and Structured laboratory experience is provided at the college level prior to the placement of the students. By and large integrated approach is followed at the Concurrent Practice level. However, for BSW 1st Sem, BSW 2nd sem, BSW III Sem, BSW 5th & 6th sem and MSW SEM I & II emphasis on Social Case Work, Social Group Work and Community Organisation is given the three are the primary methods. Community Organization has been given importance at the BSW final.
