Principal's Word

It is with great pleasure we bring out this volume of Annual report for you.

We usually undertake various programs throughout the year. Our students' development board members along with other students work hard to make such programs a success. We at the campus have students of varied backgrounds & from different socio economic levels, but we all share a common cause and that is the cause of humanity, here I am reminded of a quote -“It isn't where you came from. It's where you're going that counts.” —Ella Fitzgerald, Annual report is an account of our continuous efforts to excel .

The theme of world social work day for 2024 is '**Buen Vivir: Shared Future for Transformative Change**'. Students, teachers, non teaching staff and other stake holders join hands in bringing little positive changes in our realities, we all are committed to common goals of sustainable development and various activities conducted on and off campus by us are the evidence of our such efforts . Annual report is systematic compilation of such activities by various committees .

The year was marked by our institute getting **ISO 21001:2018 certification** ,which again endorses our pursuit of quality. I take this opportunity to thank our teaching and non teaching staff for their sincere efforts which were instrumental for this .

I cannot conclude without acknowledging the support of Shri.RajkumarTirpude, President,Mrs Vanita Tirpude-working president ,Mr . Kalash Tirpude Vice president and Shri.GaneshGaurkhede, General Secretary of our parent body Yugantar Education Society in preparing students to face new challenges in lives and careers which in turn would provide us a better society to live in.

Our college being an autonomous institute is also successfully running self finance courses which focus on enhancing skills of our students.

I take this opportunity to further resolve along with my colleagues to work for the betterment of all the stakeholders.

Best wishes and a Big Thank you

Thank you

Dr. Swati Dharmdhikari

Officiating principal

The academic year began with the formation and selection of SDC members. Our work commenced with the NSS Foundation Day, where we organized and facilitated the program. The first major task included the inauguration of the SDC and the Freshers Party. Organizing the Freshers Day involved decisions ranging from selecting games to choosing the venue and planning the menu. SDC collaborated efficiently to ensure the success of the event, making it a refreshing experience for seniors and a warm welcome for the first-year students. This year, we added a few more posts to the SDC, including media and technical representatives. The technical team focuses on documentation and supporting the college's technical needs, initiating important projects such as the Newsletter and the Meet the Alumni series. The Newsletter provides glimpses of college activities, while the interview series explores the experiences of successful alumni. NSS remains a significant part of our college culture, and SDC members have diligently worked with the NSS cell. The NSS cell has organized impactful activities, including a poster-making competition for AIDS awareness and a cleanliness drive on Gandhi Jayanti. Various sessions on topics like POSH and child abuse have been organized. The Red Ribbon Club works towards AIDS awareness. Yoga Day was celebrated on World Yoga Day, and students participated in the Akhil Bharatiya Marathi Sahitya Samellan. Birth anniversaries of leaders like Savitri Bai Phule, Mahatma Gandhi, Sardar Vallabhbhai Patel, and others were actively celebrated by NSS and SDC. SDC actively participated in library events, increasing awareness and utilization of the library through activities like poster making and the "My Favorite Book" competition. The annual sports and cultural events organized by SDC were highly successful, emphasizing student participation. The SDC members worked tirelessly to strategize and motivate students, resulting in a significant increase in participation. Sports activities included cricket, volleyball, kabaddi, 100m race, 400m race, chess, relay race, shotput, three-leg race, and chess. SDC members actively facilitated these events. Cultural programs presented a challenge due to student fatigue from sports, but SDC played a crucial role in motivating students to persevere. Cultural events included classroom decoration competition, rangoli making, flower decoration, best from waste, poster making, salad making, mehendi competition, poem recitation, solo singing, group singing, solo dance, and group dance. Notably, there

was no gender bias in participation, with boys actively engaging in activities like flower decoration, rangoli making, and mehendi competition.

NATIONAL SERVICE SCHEME (NSS)

Programme Officer (Unit No. 1) : Ms. Sandhya Fating

Programme Officer (Unit No. 2) : Mr. Naresh Dhurve

Total Numbers of NSS Volunteers : 150

Total Unit : Two

A Brief Introduction to National Service Scheme

- **Establishment**: by Ministry of Education & Culture Govt. of India in

collaboration with State Government in 1969 within 37 selected

Universities

- **Motto**: Not me But you
- **Aim** – The main aim of NSS is personality development of the volunteers through community service.
- **Objectives**
 - To make the volunteers to understand the community in which they work.
 - To enable the volunteers to understand themselves in relation to their community
 - To know the needs and problems of the community and involve the

volunteers in problem solving process that will mobilize the society;

- To create among the volunteers a sense of social and civic responsibility

and develop them;

- To utilize the volunteers' knowledge in finding practical solution to individual or community level problems;

- To develop among the volunteers the competence required for group-

living and sharing of responsibilities;

➤ To help the volunteers to acquire the leadership qualities for the improvement of democratic attitude;

➤ To enable the volunteers to develop capacity to meet emergencies and natural disasters

➤ To propagate and develop the national as well as social harmony;

➤ To create an awareness among the volunteers to serve the poor people of society

- **Symbol:** the Rath Wheel of Konark Sun Temple of Orissa. It portrays the cycle of creation, preservation and peace. The design of the symbol implies the progressive cycle of life. It stands for continuity as well as change and implies on the part of the NSS for continuous striving forward for social transformation and uplift
- **Badge:** N.S.S. symbol is embossed on Badge. Volunteers wear it while undertaking various programmes of social service.
 - Wheel in the badge carries eight bars which represent 8 prahars of a day. It reminds the wearer to be in readiness for service of the nation round the clock i.e. for 24 hours or 8 prahars.
 - Red colour indicates that the NSS volunteers are full
 - of block, i.e. lively, active and spirited. Navy blue colour indicates the cosmos of which the NSS is a tiny part ready to contribute its share for the welfare of the mankind.

A significant portion of the curriculum is dedicated to the legal and ethical framework surrounding organ donation and transplantation. Participants will delve into the Transplantation of Human Organs Act, 1994, and other relevant regulations, as well as the ethical dilemmas and consent procedures that arise in this context. Adherence to these frameworks is crucial for ensuring the integrity and success of organ donation and transplantation efforts.

Effective communication and counseling skills are essential for professionals in this field. The course will equip participants with the ability to communicate sensitively and ethically with donor families, healthcare professionals, and transplant teams. These skills are crucial for ensuring the smooth and efficient execution of organ donation and transplantation processes.

The course will also delve into the role and responsibilities of transplant coordinators, who play a pivotal role in the organ donation and transplantation process. Participants will explore their duties, which include coordinating with various stakeholders, advocating for donation awareness, and promoting best practices in organ donation and transplantation.

Report –

The Organ Donation and Transplant Coordination Workshop was a week-long event held from April 2nd to April 6th. The primary objective of this workshop was to enhance the knowledge and skills of participants regarding organ donation and the various roles involved in transplantation coordination. The event featured esteemed experts from the field, focusing on the significance of organ donation, current trends, legal frameworks, and the responsibilities of transplant coordinators. This workshop was part of the college's continuous efforts to contribute to public health education and community welfare.

The workshop began with an insightful inaugural session led by Dr. Dewang Chaya. The session highlighted the rising need for organ transplants in India, emphasizing the gap between organ demand and supply. Dr. Chaya underscored the critical role that awareness and education play in bridging this gap.

In the second technical session, Dr. Chaya continued to shed light on the current status of organ donation in India. He provided a detailed overview of the basic medical and ethical principles involved in organ donation, encouraging participants to spread awareness in their respective communities.

This session discussed the legal and ethical issues surrounding organ transplantation in India, including the Transplantation of Human Organs and Tissues Act (THOTA) and the ethical challenges that arise in organ donation practices.

Ms. Ashtekar provided an in-depth look at the roles of the National Organ and Tissue Transplant Organization (NOTTO), Regional and State Transplant Organizations (ROTO and SOTTO), and Zonal Transplant Coordination Centres (ZTCC). She also discussed how these organizations collaborate to streamline the organ donation process.

In this session, Shalini Patil elaborated on the crucial role of transplant coordinators, particularly in counseling families of donors and coordinating the transplant process. She shared practical insights and case studies from her experience at KIIMS Hospital.

The final technical session focused on the growing scope of opportunities for transplant coordinators in India. Ms. Jadhav discussed future trends in organ donation programs and the increasing demand for trained professionals in this field.

An exam was conducted to assess the participants' understanding of the topics covered throughout the workshop. The exam included multiple-choice questions, short answers, and case studies based on the sessions. All participants displayed a commendable understanding of the material, with several scoring high marks.

The workshop concluded with positive feedback from both the participants and the resource persons. The interactive sessions provided participants with a deeper understanding of the complexities involved in organ donation and transplantation. The college plans to

continue organizing such workshops annually to further educate and empower future professionals in the medical and social work fields.
