Principal's Words....

I take pleasure in presenting yet another edition of the Annual Report for the academic year 2019-20. As usual, the session witnessed a flurry of activities - curricular, co curricular and extra curricular. The teaching and non teaching staff have displayed their untiring commitment which has been chiefly instrumental in raising academic acumen of teachers and students alike. It is only due to the efforts of teaching staff and constant guidance and inspiration from the governing body, the college continues to dominate in central India so far as professional Social Work Education is concerned. The students of the college have also done a commendable work in academics as well as in extra - curricular activities. It may be noted that the college after having thrice accredited with top gradation by NAAC, has embarked on its endeavour to adapt to the functioning as is expected by the accrediting body NAAC and institutions like the UGC and the parent university. I am happy to note that as recommended by the last visiting Peer team, the college applied for the Autonomous status and the UGC New Delhi has conferred autonomy upon the college in February 2019. This provides a distinction to Tirpude College of Social Work to be the first autonomous college imparting social work education in central India.

I can not conclude without acknowledging the support of Shri Rajkumar Tirpude, President and Shri Ganesh Gaurkhede, General Secretary of our parent body Yugantar Education Society in preparing students to face new challenges in lives and careers which in turn would provide us a better society to live in. I take this opportunity to further resolve alongwith my colleagues to utilize the newly acquired autonomy to the better benefit of all the stakeholders.

Thank you

Dr. K.S.Patil
Principal

The profile of the faculty includes the teaching and non-teaching staff of the college, their teaching papers and workload for the year.

We get students from all over India including North Eastern states. The multicultural atmosphere in the campus gives a new vibrancy and colour to the premises.

Report of Social work practicum includes details of specific orientation, concurrent practice learning, exposure visits, study tours, block placements and campus interviews held. Special care has been taken to select reputed agencies for imparting quality training. The practice of arranging meetings with agency supervisors and to place the students under specific supervisors is followed every year. Various target groups of deprived sections are selected for studying, analyzing and for working with them to seek solutions for their problems.

Research and publication is an integral part of social work education and learning. Here, not only the faculty is encouraged to undertake researches but for the students of B.S.W final year and M.S.W 3rd semester, it is mandatory to work on a research project; for B.S.W Sixth Sem in a group and for M.S.W individually. Students submit the report to the college and university. Various researches on contemporary issues have been undertaken by the faculty and the students. The faculty members publish research papers in journals.

In order to have a smooth functioning of the college, various committees are constituted at the beginning of the academic year. The committees organize various programmes throughout the year. Each and every faculty is given opportunity to assume leadership roles and creativity is put into practice for the greater welfare of the students and the college.

The college always encourages students to participate in workshops and seminars, which is duly acknowledged in the present report. Academic excellence is achieved through interactive activities like seminars, conferences and workshops. The faculty gets opportunity to organize, attend and contribute to such programmes. The students also participate and contribute at various levels, from volunteers to the level of participants. It helps in intellectual stimulation, in generating new knowledge and dissemination of information. The present report also includes the faculty's involvement in Professional Associations and functioning of University. We are happy to acknowledge participation of students in many activities and specially appreciate those who have brought laurels to the college.

We continue to be committed to the cause of humanity, and shall strive for quality enhancement. We take this opportunity to thank each and every one who has contributed to the college development. Recognition to the college by the UGC as a "college with potential for excellence" is another satisfying result of our continuous quest for excellence. The autonomous status conferred by the UGC and RTM Nagpur University to the college is the latest notable achievement that poses the challenge for all the stakeholders involved to further perform to the best of abilities.

I am very happy to present this report which is an outcome of tireless efforts of Mr. Manish Deshmukh Assistant Co-ordinator, IQAC, Dr Swati Dharmadhikari, Dr. S. S. Kabiraj, Mr. R.T. Gajbe, Mr.Sachin Hunge and the members of IQAC. Thanks are also due to each and every staff members who actively participated in the assessment and helped in compilation of this annual report.

With Regards,

Dr P. G. Bombatkar

D. SOCIAL WORK PRACTICUM

Practicum is an essential requirement for social work education. The trainees are given field experience along with classroom lectures. This not only helps in developing field based knowledge, skill and proper attitude among the students, but also enables them to be better professional.

The requirement for practicum is different for different classes as per the University specifications. In general, the practicum includes orientation-cum-structured laboratory experiences, concurrent placement, agency visits, village camp and study tour.

Orientation and Structured laboratory experience is provided at the college level prior to the placement of the students. By and large integrated approach is followed at the Concurrent Practice level. However, for BSW 1Sem, BSW 2nd sem, BSW III Sem, BSW III year and MSW SEM I & II emphasis on Social Case Work, Social Group Work and Community Organisation is given the three are the primary methods. Community Organization has been given importance at the BSW final. MSW III Sem & IV SEM Social Work Practicum is based on their electives, in-depth practice of primary methods and use of secondary methods are also used in the field.

Village Camp Report
National Service Scheme Special Village Camp
1st January to 6th January 2020

Village camp is an annual feature of the NSS and social work course curriculum. The college decided to organise every activity with a difference and impact oriented. Considering this view, the camp team decided to organise the special village camp in most vulnerable area of the Nagpur District, Ladai - Linga. (Exclusive Tribal Village) Ladai is a hilly region having 98 % of the population of Gond Tribal. Ladai is the village adopted by the college for five years. In this, region livelihood, water scarcity, minimal agricultural activities, lack of health facilities, educational and employment status etc are some of the prominent issues which need to be addressed appropriately.

Objectives of the camp:

- To understand the rural social system.
- To analyse rural society, its approaches, culture, and livelihood patterns.
- To observe living conditions of villagers.
- To observe the culture and lifestyles of tribal.
- To get familiar with positive local initiatives in the area.
- To engage the students in micro-level planning exercises, mini research projects in the rural context during the camp, and in concrete tasks towards meeting basic/civic needs of the people in that area.
- Through experience in group-living, appreciate its value in terms of self-development, interpersonal relationships, sense of organization, time management and taking on responsibilities.
- Acquire skills in planning, organizing to be implemented in the camp.
- Develop skills for objective analysis of one's own work and presenting their experiences in class room.

To conduct camp following team was formed.

Mr. Digambar Tule	-	Camp In charge
Mr. Roshan Gajbe	-	Camp Co-incharge
Dr. Arshiya Sayed	–	NSS P.O.
Mr. Sachin T. Hunge	-	Member
Mr. Siddharth Gajbhiye	-	Peon

Prior to the camp three sessions of orientations and skill lab were conducted as preparatory workshops. In the orientation, students were oriented about the nature of the camp. They were divided in the group and total 10 groups were created of 104 students (all NSS Volunteers). Each group was given a task to perform daily duties and educational and environmental activities on each day such as; prayer and yoga committee, water committee, cleanliness committee, food committee, cultural programme committee, etc. the objectives of these committees was to provide an opportunity to the students to participate in the organisational work; so that they can learn skills such as decision making, planning, organising and implementation.

Preparatory work includes knowledge base activities like information about village, tribal culture, strength and limitations of the village.

Students were included in the preparatory work of village camp like transportation arrangements, poster preparation for exhibition, preparing street plays and other arrangements.

On day one, all the students with faculty members proceeded to camp site early in the morning by pre booked buses. Daily schedule was prepared and students were divided in the groups through one simulation activity so as to avoid any bias in making the group.
