a communication from the UGC New Delhi on 20 November 2019 which began as follows:

"As you are aware that your college has been conferred autonomous status to run and review existing courses/programmes and, restructure, redesign and prescribe its own courses/programmes of study and syllabi as per UGC guidelines for autonomous college - 2018 without approval of the University".

Considering the above guidelines the members deliberated on the issue. Members were of the view that delaying starting of new courses is defeating the very purpose of autonomy. It was resolved unanimously to start new courses from the academic session 2020-21 to follow guidelines of the UGC.

Subject 6:- Further, with no matter left on the agenda, the meeting concluded with vote of thanks to the chair and present members.
